Image:

Short Content:

Participation will be limited to companies registered and operating in Saudi Arabia with a minimum number of 50 employees.

Body:

Participation will be limited to companies registered and operating within Saudi Arabia with a minimum number of 50 employees.

All participating organizations will need to appoint a General Coordinator to be the main point of contact for the program analysts and will be responsible for the sample selection, survey administration, and providing necessary support to participating employees.

All participating organizations will be required to sign the program Participation Agreement accepting all its terms and conditions.

All participating organizations will be responsible for payment of survey participation fees, covering professional services costs associated with administrating the survey and providing insight reports.

For more information about the list and its methodology, please [Download our Brochure](#) [1].
